IGCSE 2022 Results

Congratulations to the IGCSE batch of 2022 on the excellent results!

37 students appeared for the IGCSE exam

Three students received all 10 A*s

12 students received 8 A*s or more

85% of all students received A*s or As

Given that circumstances required most instruction for this batch to be online, and that Cambridge did not reduce the syllabus or the number of papers, the results were excellent!

The students worked hard and managed to stay on course amid all the challenges and uncertainties, This is a testament to their resilience and work ethics.

A big thank you to our subject teachers, team leaders, SRC members, class mentors, counsellors and parents for working tirelessly to support the students in their journey.

We wish the students all the very best in their future endeavours!
